Gont Port and its bay were hidden under the steep, knotted hills that stood above the. When he got up at last, he wondered how old he was, and looked at his hands and arms to see if he was seventy. He still looked forty, though he felt seventy and moved like it, wincing. He got his clothes on, foul as they were from days and days of travel. There was a pair of shoes under the chair, worn but good, strong shoes, and a pair of knit wool stockings to go with them. He put the stockings on his battered feet and limped into the kitchen. Emer stood at the big sink, straining something heavy in a cloth. Starving hungry, frustrated, misunderstood, Diamond reached out to hold her again, to make her body understand his body, repeating that first, deep embrace that had held all the years of their lives in it. He found himself standing two feet back, his hands stinging and his ears ringing and his eyes dazzled. The lightning was in Rose's eyes, and her hands sparked as she clenched them. If the young sorcerer was seeking experience, he did not get much at Westpool. Whenever Birch had guests from Kembermouth or from neighboring domains, the herd of deer, the swans, and the fountain of golden wine made their appearance. He also worked up some very pretty fireworks for warm spring evenings. But if the managers of the orchards and vineyards came to the Master to ask if his wizard might put a spell of increase on the pears this year or maybe charm the black rot off the Fanian vines on the south hill, Birch said, "A wizard of Roke doesn't lower himself to such stuff. Go tell the village sorcerer to earn his keep!" And when the youngest daughter came down with a wasting cough, Birch's wife dared not trouble the wise young man about it, but sent humbly to Rose of Old Iria, asking her to come in by the back door and maybe make a poultice or sing a chant to bring the girl back to health. Old Hardic differs in vocabulary and pronunciation from the current speech, but the rote learning and regular speaking and hearing of the classics keeps the archaic language meaningful (and

probably puts some brake on linguistic drift in daily speech), while the Hardic runes, like Chinese characters, can accommodate widely varying pronunciations and shifts of meaning. ascent. Yes, it took courage to design such a shape, to give it the cruelty of the precipice, the welcome. "Tell us how you came here." "Forty -- what of it?" "Get back, you black-hearted bitch!" she yelled.
